No time frame for what need to do today

Here at the yellow house, I think that I'm gonna play

With some free livin lads down the street aways, away
oooo

Now as I feel the moon rise

The time that I feel is the right time

Here at our sleepyhouse

As I wipe eye bugs away, the candle flickers at me to
say

And in my head I sometimes pray

Are you feeling fine?

As I was a little child

And im feeling better when im high

With a red light shining on a little unity

The mistakes that I have made, no they don't seem to
bother me

And I sure as hell don't feeling like I've missed any kind
of train

If I could only show you how I feel

And maybe you'd see why we don't mind being blind

As I was a little child

And I'm feeling better when I'm high

With a red light shining on, shining on a little unity

I'll probably be in a little while
