Three is a magic number

ya it is, it's a magic number

Somewhere in that ancient mystic trinity

You'll get three

As a magic number

The past, the present, the future,

Faith, and hope, and charity,

the heart, the brain, the body,

will give you three,

it's a magic number

It takes three legs to make a tripod or to make a table  
stand,

and it takes three wheels to make a vehicle called a  
tricycle

And every triangle has three corners,

every triangle has three sides,

no more, no less,

you don't have to guess

that it's three

can't you see?

it's a magic number

A man and a woman had a little baby

yeah they did

and there were three in the family

and that's a magic number

3, 6, 9,

12, 15, 18,

21, 24, 27,

30

Now multiply backwards from  $3 \times 10$

$3 \times 10$  is 30

$3 \times 9$  is 27

$3 \times 8$  is 24

$3 \times 7$  is 21

$3 \times 6$  is 18

$3 \times 5$  is 15

$3 \times 4$  is 12

and  $3 \times 3$  is 9

and  $3 \times 2$  is 6

and  $3 \times 1$  is 3 of course

(Now dig the pattern once more!)

3, 6, 9,

12, 15, 18

Oh yeah

$3 \times 10$  is 30

$3 \times 9$  is 27

$3 \times 8$  is 24

3x7 is 21

3x6 is 18

3x5 is 15

3x4 is 12

and 3x3 is 9

and 3x2 is 6

and 3x1

What is it?

3

A man and a woman had a little baby

there were three in the family

and that's a magic number
