hey i'd like to daze away to a place no one has known  
in a state of mind i could call mine and only i could own  
where i can hum a tune any time i choose and there's  
no such thing as time  
where i can feel no pain just calm and sane what a  
place for one to find  
now ya see i'm watching everything i do  
and they're watching everything i say  
why won't they leave me be?  
why am i even here? i wonder  
you leave me wondering  
won't you stop watching me  
i said they're watching me, watching me, watching me  
now in my corner i got the ceiling in my eyes  
arms holding up my knees, and rockin' back and forths  
my life  
i didn't mean to feel this way when i walked into the  
door, lord  
then they ripped away my memories  
and i can't remember who i was before  
now ya see i'm watching everything i do  
and they're watching everything i say  
why won't they leave me be?

why am i even here? i wonder

you leave me wondering

won't you stop watching me

i said they're watching me, watching me, watching me

i only wanted to be sixteen and free
