You let me crash at your place  
when things got rough at home  
you even talk my call  
when your phone said roam  
the kids that i hung out with  
they used to laugh at you  
but when things got crazy  
you'd always be around to laugh with me  
and tell me not to take my life so seriously  
and not to let everyone influence me

(chorus)

and i said hey (hey) this song's for you  
for all the times you got me through  
you helped me hold it down  
when life was crashing all around  
yeah this song's for you  
so many times you got me through  
i knew i had you as a friend  
that's all that mattered in the end

you let me borrow your mxbx shirt  
you stood up for me when she treated me like dirt  
you tried to warn me about little miss can't be wrong  
i couldn't see it so i brought you all along  
and you laughed at me  
and told me not to take this girl so seriously  
and not to let her low rise jeans influence me

(chorus x 3)
