ho ho ho  
ho ho ho  
look at me yeah  
but I don't look at you  
but that's the same  
hmm but never spoken  
oh oh oh oh  
you think I'm hail  
we set you rude  
your sweet are kid of bizarre  
your sweet never come  
down the road again  
oh oh oh oh oh oh oh  
I'm looking for some  
more then literary  
come a bit closer  
we got nothing to hide  
mine doesn't  
something to ride  
do it  
well allright now  
oh oh  
oh oh oh oh oh oh oh oh  
scared
