"Set Me Straight"

I know something that you would never believe
I wish I was able to finally make you a queen.

Now, you set me straight
You told me things
That heroes must make
I'll do what you say
As long as you feel
And I can be had
Without sex appeal

I know something that you would never believe
I wish I was able to finally make you a queen.
It's times like this, Baby that makes it all seem
worthwhile.
I'm lookin' for something that I can find in a smile

Now, you set me straight
You told me things
That heroes must make
I'll do what you say
As long as you kneel
And I can be had
Without sex appeal.
