I've seen my friend go ride you  
Host away the pills  
My evil bedroom is my carving wheel  
Jo Mister Join the scene  
It ain't so sad at all  
Answer the jingo-centric casting call

Toast no in D-con makes you want to be arranged  
She's not afraid to be more chaste than me  
Ask not and you won't find it right

Acting like over-gentry  
May be you're in hell  
Aced like a big and hairy havacil

Toast no in D-con makes you want to be arranged  
She's not afraid to be more chaste than me  
Ask not and you won't find it right.
