Now when the day goes to sleep
And the full moon looks
The night is so black, darkness cooks.
You come creepin' around,
Making me do things I don't wanna do.
I can't believe that you need my love so bad.
You come sneakin' around,
Trying to drive me mad.
Haunting all my dreams,
Making me see things I don't wanna see.

Cuz you're The Green Manalishi
With the two-pronged crown.
All my tryin' is up,
Are you bringin' this down?
Take all my lovers away,
Leave me here
Just tryin' to keep from following you.
