i was up with the moon

and down with the stars

and the party was carryin on (PARTAY)

all the girls were outside kickin sand sippin on some
sissco (ooh ooh ooh OOH)

and all the boys were standin around endorsing a cold
one (hey hey hey)

and then WOA there she was i think shes lookin right at
me (no way!)

hey i know what i see when i see it

watch me go down there and do my talk

CHORUS

(if you want something some go out and get it

gotta show her you the mac of the game or just foget
it)

so all the girls started laughing at me (hahahahahaha)

i had to make a crispy treat and get ready for round 2

my love was like a bomb about to explode

and only she could light my fuse

so i'm walkin (NO)

CHORUS

(are you with me?)

desperate men make desperate moves

so i dropped to my knees and prayed (YA)
