Sitting on the stairway

Hoping that your ok

Waiting patiently for you to comeback to me

What should I do

I dont mind the waiting

As long as there's still maybe

A possilbilty, for you to be true to me

I'll be sitting, on the stairway, til a quater till two

With nothing to do baby hey yeah

But twiddle my thumbs and wait

[Chorus:]

Killing time, waiting on you

What should I do?

I'll be seating here wating

Killing time, waiting on you

What should I do?

I'll be seating here wating

Look inside your mirror

I hope that you see clearer

Look behind yourself

And you will find me

I've got your back baby

The love I have I'm saving

I'll be there for you

Just like I said I'll be

I'll be sitting, on the stairway, til a quarter till three

With nothing to do ba-by

But twiddle my thumbs and wait

[Chorus]

[Hook:]

Oh, baby when you come back down

Go home get the love you found in me

I know that you're gonna take time

Oh remember I'm by your side

Don't worry I'm down for you

No matter what you're going through

I'll be there, I'll be there

Baby, Baby, Baby, Baby, Baby,

[Chorus until end]
