Here we are in the storm of our life
Both posing as strangers who never fell in love
Knowing damn well it's a shame so deceiving
I just want us back the way we were
we lost it all in the flick of the night
we stop sayin i love you, Spending quality time
lord help us help us we're runnin out of seasons uuh

chorus:

how we gonna get us back to love
get on back to love
how we gonna get us back to love
uh how we gonna go
i want you to want me
i want you to love me
i want love, to fall in love again
i will love again

here we are on the ride of our life
going ourself with directions both ignoring the signs
Knowing damn well we lost sight of the finish
Our love cup is empty we put no effort in and we chose
to play it on
Knowing everyone sees there's a hole in the heart
And Lord help us help us make it easy
we're running out of season hey

chorus:

how we gonna get us back to love
how we gonna get us back to love
how we gonna get us back to love
hey baby baby baby
i want you to you want me
i want you to love me
i want love, to fall in love again
i will love again

to fall in love again
to fall in love again
