I knew just what I had to be
When I heard you say what you said to me
To every dude in sight
Look like you working up an appetite for the night,
check it
By then I just sat at the back
Peeping you out, the way you act
It was drinking time
Getting out of line
And I make you get back in your place
All is well and all is cool
Stay in your place, don't be no fool
Get along tonight
You look like the type that would try to fight
Best top been a friend to me, you don't want to up and
Better play it cool
Don't know what I might do

Cornbread, fish, and collard greens
I got what you need
If you want it, 'cause I'm pimp, girl
If you want it, I'm a pimp, girl
Cornbread, fish, and collard greens
I got what you need, what you need
If you want it, I can rock your world
If you want it, I'm bigger juice than Jheri Curl

Now tell me, "Do you really think
You can walk around like your shit don't stink?"
I'm on to you
Oh baby girl, I'm on to you, I'm watching you
Take it slow, change your speed
If it's food for thought that you really need
Better stake your claim, get with it
Stay in your lane, stop swerving
Take a seat, sit in the back
I don't appreciate the way you act
You need to fix yourself, hurry up and go fix yourself
Can't do nothing, won't nothin' now
Everything's gonna pass you by
Better wisen up
Stop trippin' on love

Cornbread, fish, and collard greens
I got what you need
If you want it, 'cause I'm a pimp, girl
If you want it, yes I'm pimp, girl
Cornbread, fish, and collard greens
I got what you need
If you want it, 'cause I'm a pimp, girl
If you want it, I'm bigger juice than Jheri Curl

Cornbread, fish, and collard greens
I got what you need
If you want it, oh yeah, I'm pimp, girl
If you want it, I can pack it
Cornbread, fish, and collard greens
I got what you need
If you want it, I've seen it
And more alike and get it
Get it get it get it yeah
If you want it

Baby, let me take you there
Come on, can get it, I know
Baby, take it what you want
Just come in, get it oh baby

Cornbread, fish, and collard greens
I got what you need
If you want it, I'm a pimp, girl
If you want it, yes I'm a pimp, girl
Cornbread, fish, and collard greens
I got what you need
If you want it, if you want it you can get it
If you want it

Cornbread, fish, and collard greens
I got what you need
If you want it
If you want it
Cornbread, fish, and collard greens
I got what you need
If you want it because I'm a pimp, girl
If you want it

Cornbread, fish, and collard greens
I got what you need
If you want it
If you want it
Cornbread, fish, and collard greens
I got what you need
If you want it

If you want it

See what its all about right now, right now, right now,
now

If you want it you can get it

You can get it if I want it to

I'm a pimp, girl

I'm a pimp, girl

What a dripy juicy jerry girl

Drip drip,one sip and

You'll be prop drunk

And I'll be in your bond

Rocking that funky funk

Rocking that funky funk
