Put that on mamma my daddy everything i love
For everything i rap
My gangstas in the trap
You can't see me with a magnifying glass
200 on the dash, try some games, i bust ya ass
Nigga whole click, iPhones
Nigga, get your shine on
Used to whip it up now zip it up
Now it's the microphone
No man alive can't stop my shine, its the hustle man
I want it bad cause Bad Azz came from nothing man
Shining on em' griding on em' bout what i'm talking

If I show your bitch my house, she gone take my dick

Show after show i'm getting dough
100 G's at a time
I'm M J round my way and Louisiana is mine! (NIGGA!)

[ANTHONY HAMILTON]

Told ya before
Im a man bout his business
Draw the line, right where the family is
Never cross it,
Be the boss of it,
Love ya down,
Until i've exhausted it,
Other dudes, they pursue
But they're clowns to you.
I kneel down on the real and i pray with you
And never want to much,
I make due for us,
Believe me I stand on my word.

I PUT THAT ON EVERYTHING!!!
BELIEVE ME WHEN I SAYYYY
