Felt like the weight of the world was on my shoulders
Pressure to break or retreat at every turn
Facing the fear that the truth, I discovered
No telling how, all these will work out
But I've come to far to go back now.

Chorus:

I am looking for freedom, looking for freedom
And to find it cost me everything I have
Well I am looking for freedom, looking for freedom
And to find it, may take everything I have

I know all too well it don't come easy
the chains of the world they seem to movin tight
I try to walk around if I'm stumbling so come..
tryin to get up but the doubt is so strong
there's gotta be a winning in my bones

Chorus:

I'm looking for freedom, looking for freedom
and to find it, cost me everything I have
Well I'm looking for freedom, I'm looking for
freedom
And to find it, may take everything I have

Oh not giving up there's always been hard, so hard
but if I do the thanks I lose the way I won't get far.
Mhm, life hasn't been very kind to me lately, (well)
but I suppose it's a push from moving on (oh yeah)
in time the sun's gonna shine on me nicely (on me
yeah)
sudden tells me 'cause things are coming
and I ain't gonna not believe

Chorus:

I'm looking for freedom, looking for freedom
and to find it, cost me everything I have
Well I'm looking for freedom, I'm looking for
freedom
And to find it, may take everything I have
