There used to be a little old boy ridin' my bus home
from school... Yeah ..
Intreverted, kinda frail, didn't think much of himself...
No ...
He used to see the pits and his mother's druken
boyfriend, hangin' out by the corner store.
There was a very old lady that used to call him baby
and in his mind this is what he heard..
Georgia Parker, Get Away
Georgia Parker, Come With Me
Georgia Parker, Free Your Mind
Georgia Parker, Let Yourself Be
Georgia Parker, Come With Me
Georgia Parker, Ohhhhh
Georgia Parker, Georgia
Tryin' to be his only friend, he wasn't open to strangers
dens... Oh No..
He turned his head and walked away, as he turned
around and started to cry.."Why Me?"..
Stuck in the lions den to scared to let hell win, he had to
make a sacrifice.
He tried to cope with it and couldn't find the strength,
could anybody tell me where Georgia is?
Georgia Parker, Come With Me
Georgia Parker, Free Your Mind
Georgia Parker, Get Away
Georgia Parker, And Let Yourself Be
Georgia Parker, Come With Me
Georgia Parker, Free Your Mind, your mind, your mind,
and Get Away
Georgia Parker, There'll Be
Georgia Parker, A Better Place
Georgia Parker, For You And Me
Georgia Parker, Free Your Mind
Georgia Parker, Get Away
Georgia Parker, Follow me
Georgia Parker, Follow Me
Georgia Parker, To a Place
Free your mind, let's go to, to a place, where you can
be free, Ohh Georgia.
Free your mind, let yourself go and the rest will follow.
Oh No, Oh No, Oh No Geogia

Can anybody sing it?
