Yea I did it
It was time
Yea
Why keep asking me
Keep harassing me
All those questions about who and what she means to
me
Iâ€™m a lucky guy
I found someone that I
Can paint the town
Run around
Someone to talk with
Such a lucky fit
Baby she be it
You wanna know if Iâ€™ve fallen for her
I tell you quickly
Free up some energy
Cause I donâ€™t want to let her go

[Chorus]
I did it for sho
All the trips abroad (trips abroad)
Maxâ€™d out credit cards (credit cards)
Throwing down to Mr Chows (Mr Chows)
I did it for sho
Meant to let you see (let you see)
You just canâ€™t sleep on me (sleep on me)
Another on will come around (around)

I feel we had our chance
And itâ€™s come to an end
Now you wanna come around
Naw girl go with your friends
We used to love them streets
But now I need my sleep
So I can dream of things
That you couldnâ€™t even see
Sheâ€™s got a vision
So much she put me in it
You wanna know if Iâ€™ve fallen for her
I tell you quickly
Free up some energy

Cause I don't want to do her wrong

[Chorus]

I did it for sho

All the trips abroad (trips abroad)

Max'd out credit cards (credit cards)

Throwing down to Mr Chows (Mr Chows)

I did it for sho

Meant to let you see (let you see)

You just can't sleep on me (sleep on me)

Another on will come around (around)

Ohhhhhh

Ohhhhhh

There comes a time

When things have to change and

People have to go their separate ways and

You know all the talk Beyonce with "to the left, to the left", there's nothing left

Not here, for you

So I'm putting it all on the line

I'm letting you know

I've been spending time

So I need you to spin wheels

And I'll see you when I see you

[Chorus]

I did it for sho

All the trips abroad (trips abroad)

Max'd out credit cards (credit cards)

Throwing down to Mr Chows (Mr Chows)

I did it for sho

Meant to let you see (let you see)

You just can't sleep on me (sleep on me)

Another on will come around (around)

I did it for sho

All the love we had (love we had)

You took for granted and (granted and)

You thought I'd never write those vows (write those vows)

I did it for sho

Shouldn't have slept on me (slept on me)

Thought I'd be left lonely (I'd be left lonely)

We just bought a place across town (town)

Ooooooh

Ooooooh

Oooooooh

Oh uh oh hoo ohhh

Oooooh
Oooooh
Oooooooh
Oh uh oh hoo ohhh
Oooooh
Oooooh
Oooooooh
Oh uh oh hoo ohhh
