Here in this lover I spit
I'm getting sick to my stomach yeah
Of all that we've been through
I still man is to hurt you
And I was willing to compromise
I can't sight forget about it
When I said I do we did
And now I'm hurting the... yeah
Feeling all this pressure
Still in love with you
I've learned my lesson
And I'm coming hope to you ooh

Chorus:

I'll take there all the friends
That I said, that I've done
I hurt you, I hurt you baby
This don't... , hurt you
And I'm without wrong
All the things that I've done,
I hurt you.

Hearing this world of mine
Can't stop thinking of you
And laughed it all talk that I... ruin
I was willing to change
Yes I looked out of town
Yes I don't know it all
Most of the time
Feeling all this pressure, still in love with you
Yes I've learned my lesson
I'm coming home to you

Chorus:

I'll take back all the friends
That I said, that I've done
I hurt you, I hurt you baby
This don't... , hurt you
And I'm without wrong
All the things that I've done,
I hurt you.

I hurt you, hurt you baby
I know
Said I know
I know I know ooh
Thrill me all ooh

[2 x Chorus:]
