I`ll wait for you to fall in love  
I`ll hold myself for only you  
you know I will baby hmmm  
Along the way I`ll try my hand in love  
in hopes that we'll one day bring that unity  
the one that feels natural and true like an olden day  
movie  
not pretentious both interests agree  
that we belong in love as of now  
I`m here to stay  
chorus:  
I`ll wait for you to fall in love (I`ll wait I`ll wait I`ll wait)  
I`ll hold myself for only you (I`m gonna hold myself for  
you baby)  
I`ve tried to settle down before  
I`ve tried I`ve tried  
but there`s no other love that will do  
Elated about you, overjoyed (the thrill to me)  
for once I can open my heart and share love freely  
come closer and make me your own (create a lifetime  
baby)  
and shelter me close with your love  
cause there is no woman that can do ohhh  
chorus:  
I`ll wait for you to fall in love (said I`ll wait)  
I`ll hold myself for only you (I`ll hold myself for you  
baby)  
I`ve tried to settle down before  
said I`ve tried it before  
there`s no other love that will do  
for your love I`ll wait (I`ll wait)  
girl I`ll wait (cause there`s no other love)  
cause there`s no love that will do  
makes me feel the way that you do my baby ohhhhh  
chorus:  
I`ll wait for you to fall in love (I`ll wait baby)  
I`ll hold myself for only you (I`ll hold myself for only  
you)  
I`ve tried to settle down before  
I`ve tried I`ve tried  
there`s no other love that will do things like you do  
I`ll wait for you to fall in love (I`ll wait baby)

make me feel like you do  
I`ll hold myself for only you( I`m gonna wait baby)  
make me feel like you do  
do do do do do do do do x4
