We don't have to worry bout no money, to have us a
real good time
and we don't have to leave in the morning, the whole
day just you and I,
and it don't have to get any better, it's perfect you in
my life.

If you're cool, then I'm cool, then we're cool

We don't have to worry bout no groceries, we can fill up
on love alone,
If we ain't got enough for a movie, we can just sit at
home
Have a little role play baby, whatever turns you on

If you're cool, then I'm cool, then we're cool
If you're cool, then I'm cool, then we're cool

Quit your worrying baby
Quit your worrying girl
Quit your crying lady
We can conquer the world

Pack a lil love for the evening, let me hold you tight
Don't be worried about my problems believe me-
everything's gonna be alright
We can shoot for the moon watch some cartoons,
whatever makes you smile

If you're cool, then I'm cool, then we're cool
If you're cool, then I'm cool, then we're cool

Quit your worrying baby
Quit your worrying girl
Quit your crying lady
We can conquer the world

(David Banner)

(Me and you in the pick-up truck, touchin and kissin
I'm bare foot strawin 'em out, laughin and kissin
I know you from the city of love, Louis Vuitton

But you're stressed out, come over here and let me
calm
Your soul, let me rub on your back, paint on your toes
Let me scratch the dandruff out of your scalp, Pick in
your nose
(oh boy you so nasty)
Is all I hear you scream
But you the answer to my question
The 'eh to my dreams. You a radio killa
We can call our white friends up and drink a Miller
Genuine Draft
Then kick 'em all out of the house, take us a bath
You choose, all I need is y-o-u and I'm cool

Don't worry girl
Don't worry
Don't worry no
You ain't never got to worry 'bout a thing
We're alright
Said we're alright
Hold on, hold on, hold on

Quit your worrying baby
Quit your worrying girl
Quit your crying lady
We can conquer the world)

Ain't nobody worried bout no money, and we still gonna
have a good time
Like JJ, Thelma, and Willona, we gonna have a good
time
We can take a stroll in the park, holding hands walking
side by side
Drop the top down on the lac, feel the breeze and take
a lil ride
You know I love the southern stuff baby
Fish and chicken with the hot fries
And we a perfect match, I'm the ham and you the good
collard greens on the side

Don't worry girl
Don't worry.. No
We're alright
Hold On, Hold On

Quit your worrying baby
Quit your worrying girl
Quit your crying lady
We can conquer the world
We can conquer the world
