(feat. Macy Gray)

[Anthony Hamilton]

Got my back against the wall now  
Problems that I didn't see  
We got caught up in a tangle  
Then u tried to swing on me  
How could I justify, mistreating the love of my life  
I aint to proud to beg for better baby  
That's what I deserve  
I tried to be good to u  
Even stood their by u  
And u ran out on me anyway  
I must have been a fool  
'cause

[Chorus]

All is fair in love and war  
So when u fight with someone u love  
U better be careful  
Theirs no feeling, theirs no blows  
Theirs just things u didn't know  
'cause in the morning it will be alright, alright, alright

[Macy Gray]

Here comes him again  
Sneaking in the backdoor  
Blue heart torn from trippin from days of my past  
Im \*\*\*\*\* and Im angry no time to catch feeling  
I've been done wrong so Im stone cold  
And time to get even  
Loves a gamble, and I aint winning  
Torn up from my past  
Love don't live here no more

[Chorus 2x]

[Anthony Hamilton (Macy Gray)]

Ooooh, yeah  
All is fair in love and war  
All is fair in love and war  
Somebody wanna lay me

(I tried to hurt u 'cause u tried to throw me out)  
Somebody to crule to me  
(U took my heart out and u tried to play it soft)  
U took my heart and stoned it  
(I didn't want to take and try to lead u on)  
All I was was good to u  
(I didn't want to take and try to lead u on)  
Somebody wanna hurt me  
(I tried to hurt u 'cause u tried to play me out)  
Now ur gonna ride wit me baby  
(U took my heart out and u tried to play it soft)  
How long did it last  
(I didn't want to take and try to lead u on)  
U took the best of me  
(I took the best of u)  
Aint to many more days Im gonna be treated this way  
And it aint to many more lies, Im gonna listen to here  
baby  
If u listen to me baby  
(Why would I listen to u)  
Im willing to give u a chance  
Oooh  
(U tried to play me out)  
Ooooooh, oooh no  
(Oooooh oooh, I got it, I got it)  
THis whole thig is killing me  
(I got it, I want it)  
I must of been a fool to u  
(Ur not a fool to me)  
Y u wanna hurt me  
Y u wanna hurt me
