Our father
Who art in heaven
Hear my cry
[hear my cry]

Verse:
Been touched again, rain on me
Down on my luck, got chains on me
I Lost a job to gain a child
The road is long, but I'm losing time

Adjust my skin to protect my soul
I search for peace in a gaze of hope
Collect my strength to make my way
To be in bloom on the flowerin' day

Chorus:
Never Let me give up,
I can't stop trying
[I can't stop trying]
I can't stop crying
[ohh]
To one of the flowers to make me smile

Never let me give up,
[never let me]
Cuz I've got family
[I've got a family]
And with all the strength in me

It won't let me give up

Verse:
Fortune lives, but we are died
But while we're here there's sacrifices
Baby June is off the war
Watch little girls just turn 4
No birthday cakes, no candles lit
Just a photo of his family in his wallet
Say we pray to live, and we live to pray
Thanking God for the flowers along the way

Chorus:

Never Let me give up,
I can't stop trying
[It won't let me]
I can't stop crying
[give up no]
To one of the flowers to make me smile
[this that I have inside of me]

Never let me give up,
Cuz I've got family
[I can't stop trying]
And with all the strength in me

It won't let me give up

Verse:

You can't make me lie
Cuz I've got a family, yeah
Ooh, I was born to live, and I live to pray
Thanking God for the flowers along the way
Baby June is off to war
Watch baby girl, just turn four
No birthday cake, no candles lit
Just a photo of his family in his wallet
Why the test of tears, why shed the tears?

Chorus:

Never Let me give up,
I can't stop trying
I can't stop crying
[It won't let me]
To one of the flowers to make me smile
Never let me give up,
[our father who art in heaven]
Cuz I've got family
[hallowed be thy name]
And with all the strength in me
[Thy will be done, thy will be done]
It won't let me give up

Coda:

Give me the strength to pull out
Give me the words to be strong,
May I, may I, may I, may I

Never ever give up
I can't stop trying
I can't stop crying
Oohh
