Its gotten too late  
And Iâ€™ve exceeded the moments  
To make you stay (Hey Baby)  
I mustâ€™ve been a fool to run around  
and not once Stop to check on you (Hey Babe)  
Now I lost my mind  
And Iâ€™ve given up the time  
That I couldâ€™ve shared with you  
And If I had my way  
I would go down on my knees and ask my God to make  
you stay

[Chorus:]

I will make you stay baby,  
Ill Make you Stay,  
I will try everything,  
Ill go down on my knees,  
To Make you Stay,  
I will try everything

Its gotten too late  
I got caught on the wrong side  
And lost my way (Hey Babe)  
I stayed gone too long

And never once had the time to  
Just pick up the phone and call you girl

You see

See now I drunk a few  
I slept around on you  
I pity the fool who would do that to you  
Now Iâ€™ve lost your trust  
And Iâ€™ve embarrassed us  
I need somebody to pull me out this mess

[Chorus]

Ill give up everything  
You see I need you baby

[Chorus:]  
I will make you stay baby,  
Ill Make you Stay,  
I will try everything,  
I'll go down on my knees,  
To Make you Stay,  
I will try everything
