I can't stay away from you too long  
Even if I do I'll always call  
Checkin' on you make sure you're ok  
Be the one to brighten up your day

And the point of it all  
Is I love you  
You know I love you baby

My days seem long whenever we're apart  
It's like someone had thrown away my heart  
You're a major part of my life  
And no matter what the storm may bring  
I'm fine with you,

And the point of it all  
Is I love you  
And the reason for it all  
Is I love you

O I love  
O I love you  
O my love

I can't stay away too long  
I can't stay away from you baby  
Don't wanna be without you  
I need you  
O why don't you stay around for awhile

And the point of it all  
And the point of it all  
And the point of it all  
And the point of it all  
Ohhohh, and the reason for it all  
And the point of it all  
Is that I love you  
Yeah, I love you

Whenever we're apart  
It damn near starves my heart

And I don't ever want to be apart
