Woke up this mornin'
Looked out the window and saw
Everyone playin'
Playin' basket some ball

Travelin' freely
Ran out to join them as one
Seemed to be so much fun

All day I dream
I dream of winnin'
All day I dream
I dream I'm sailin' away
Sailin' away

Well, had on my favorite shoes
Helped me to play so long
The sun started goin' down
Ended like a breeze

I can go day and all night
I'm game and feelin' alright
Tryin' to tell you
That you're my victory
Sailin', sailin', sailin'

All day I dream
I dream of winnin'
All day I dream
I dream, I'm sailin' away
(I'm dreamin' I can sail away)
Sailin' away

Woo, would you love to ball?
Ooh, havin' fun and all
Ooh, sky gettin' over the rim
I'm game on you

Ooh, be it one on one
Ooh, on circle boulevard
Ooh, posted I've gotta go
I'm checkin' out you

I'm checkin' out you

All day I dream
I dream of winnin'
All day I dream
(All day)

I dream of sailin' away
(I'm thinkin' 'bout you)
Sailin' away
(Hey)

All day I dream
(Well)
I dream of winnin'
(I keep on dreamin')

All day I dream
(We can be playin')
I dream of sailin' away
Sailin' away

Woo, good god almighty
Ooh, good god almighty
Ooh, tell me
Ooh, oh

Woh, good god almighty
Ooh
Somebody help me talk about it
Havin' fun one on one
(You)

All day I dream
I dream of winning
(Dreamin' about you)

All day I dream
I dream of sailin' away
(Hey)
Sailin', sailin', sailin'
