Uhuu, hey, hey!
Going my way...
Can you parley, get to know me
I'm seeing you now
Deep in my...
Grudging no... live to drive you wild,

Bridge:

Didn't you know, that I can really put a smile on you?
Girlfriend you, where you wanna be?
Come a little closer, just like I told you!
Make no mistake, I'm here to please you!

Chorus:

Girl, can you handle this?
I don't think that you know what to do!
My shit is kinda scandalous,
Oh, I can put a little spell on you!
Girl, can you handle this?
Girlfriend, girlfriend, call your girlfriends, talk about it!
My shit is kinda scandalous!

Extreme with my love,
Wanna bet I put that ass to sleep.
Got you opened up,
Excuse me, while ii go deep! Excuse me!
What's the leg shaking about?
Ain't see a real man, before?
Don't need to close the door, nobody is around

Bridge:

Didn't you know, that I can really put a smile on you?
Girlfriend you, where you wanna be?
Come a little closer, just like I told you!
Make no mistake, I'm here to please you!

Chorus: (x2)

Girl, can you handle this?
I don't think that you know what to do!
My shit is kinda scandalous,
Oh, I can put a little spell on you!

Girl, can you handle this?
Girlfriend, girlfriend, call your girlfriends, talk about it!
My shit is kinda scandalous!
Baby can you handle this?
Don't wanna wait!
I need you, please you, please you, yeah!

You think you're ready for this, I don't think so,
You'll be knocking on my door,
Trying to get yourself some more!
Yeah you better go...
I'm a grown damn man,
Doing grown damn things,
On my own grown time!
I'll be something like a pimp,
You know what? I am a pimp, but I am respected,
though
I am a scandal, you can't handle this, babe!
I'm a real man!
