Since I Seen't You  
by Anthony Hamilton

Verse I

You're Âbout the flyest thang that life could ever bring  
Like fresh air to me the blood I bleed sent to me  
And I want, wanna build with you

Chorus

Since I seen't you, we've been peoples, your're my  
equal  
This love is see through I want to Keep you  
I want to be with you

Verse II

Your're like the softest cloud a virgin in my eye  
An angel just my size  
Wish that I could fall in love with you again  
And I wanna build with you

Chorus

Since I seen't you, we've been peoples, your're my  
equal  
This love is see through I want to Keep you  
I want to be with you

Post Chorus

Your conversation is liberating, when we're relating it's  
a vacation.  
Like recreation, I want my way with you/

Ever since the day you walked into my life  
I've never been the same then and not again  
I hope and pray to God that you stay awhile  
.....with me and....
