Someday I'll be walking along  
And you'll step on the scene where I be  
Hopefully you'll be touched by my charm  
And the words of the song will lead the way  
Bright eyed and thangs long hair earrings  
Just a few things I like about you

Sista big bones (big bones)  
Can a brother walk you home (can I walk right beside  
you)  
Look like a plate of neckbones (look so good, look so  
good)  
I like to keep your body warm (uh,huh)

Frankly i admire your style  
How you go into work everyday  
Confident in your walk and your stride  
Got my note open wide, miss thang

I'd like to take you on a nice date  
Shoot some riddles have some vittles with you  
Make no mistake i'll be a gentleman  
Take your coat open doors things I'll do

Sista big bones (big bones yeah)  
Can a brother walk you home (can I walk right beside  
you  
Look like a plate of neckbones (oh look so good, look  
so good)  
I like to keep your body warm (I like to keep your body  
warm)

I like to dance with you  
Hold hands and walk with you  
Sing songs and stare at you  
Miss Thang, Miss Thang

Sista big bones (big bones)  
Can a brother walk you home (can I walk right beside  
you)  
Look like a plate of neckbones (oh you look so good,
