Too much pride to back off of it
I wear it well when no one can see
I'm talking about pain
Gonna take trials to be delivered
Ya'll know that happiness ain't for free
I'm heading down the wrong way
Please somebody won't ya
Oh please won't somebody please stop me

My soul is on fire
And I can't take this fight no way
Got me running [5x]
My soul is on fire
And I can't face another day

I'm still hurting, bought to give up
Done lost sleep, and lost weight, I'm doing bad
Getting hard to keep my chin up
I need somebody to kneel and pray for me
I'm heading down the wrong way
Getting hard for me to breathe
Oh please won't somebody please stop me

My soul is on fire
And I can't take this fight no way
Got me running [5x]
My soul is on fire
And I can't face another day
(I can't face another day, yeah)

(Ooh, my soul) My soul got me burning, got me hurting,
got me

(Ooh, my soul) Won't you free, won't you help me, won't
you listen to me

[ad lib]

My soul is on fire and I can't take this fight no way
Got me running [3x]
My soul is on fire
And I can't face another day (I can't make it through

another day)

My soul is on fire (got me watching my back)
And I can't take this fight no way (you got me giving up,
and I gotta keep my chin up)
My soul is on fire
And I can't face another day
(got me running, got me running got me) [2x]

Wont somebody call the preacher let him help my
Call my mother wont you tell her just to ?
Please somebody wont you help me through another
day
I can't make it out
?
help me thorough my problems
Give a little faith to me
Say a little prayer for me
