[CHORUS]

You're like a Cadillac
Cool breeze in the '70's
You and me holding hands talking family
That southern thang I like
You've got that southern stuff I like

It's...like... after school
Feenin' hard 'cause I'm into you
Barbeque, I'll even open the door for you
I know that's what ya like (I know that's what you like)
You've got that southern stuff I like...like...like

[VERSE 1]

Sweet southern thang, pretty skin, hair fixed
And when you grin, that's when all life begins
Cool like a fresh breeze...ooo please come with me

Let's take a ride, swing to the other side
I'm much obliged to make your acquaintance
You're full of substance...and oh girl I love it

[CHORUS 2]

You're like a Cadillac
Cool breeze in the '70's
You and me holding hands talking family
That southern thang I like (Southern thang I like)
You've got that southern stuff I like (You've got that southern thang I like)

It's...like... after school
Feenin' hard 'cause I'm into you
Barbeque, I'll even open the door for you
I know that's what ya like (I know just what you like)
You've got that southern stuff I like...like...like

[VERSE 2]

Miss Georgia peach, Carolina when you speak
Your southern droll makes me wanna know you more
Do you want a big family? Well if so I can handle it

A gentleman, do the very best I can

Provide for you, I know you wanna finish school
Intelligence is beauty...girl I wanna be your study

[INTERLUDE]

(I know just what you like) Know just what you like
(I know just what you need...southern loving girl)
Southern loving girl (Is all you need from me)
All you really need from me
(I know just what you want...I know just what you
need)
What you need...
(Southern loving girl) Southern loving girl
(I can set you free) I can set you free

OOOOH (continues underneath thru 4th line)

[FINAL CHORUS]

You're like a Cadillac
Cool breeze in the '70's
You and me holding hands talking family
That southern thang I like (Southern thang I like)
You've got that southern stuff I like (You've got that
