How did I make those mistakes girl in my life  
I don't know, everything I tried to do took another route  
She ran out on me, you didn't have to make like a thief  
Girl, stole my life, robbed me blind  
Now this wounds gettin' deeper, see in my blood as I  
cry

Where did it all go?  
How did it go wrong?  
Tell us what to do  
Can I depend on you?

A punctured heart has no closure, torn for life  
And it's, it's gonna take God's hand to cure me  
To get another try [Incomprehensible] oh no  
I had to fight strong like a soldier so  
[Incomprehensible]  
Can't live in shame oh no, how do I trust over and over?

I guess I have to wait to see my fate

Where did it all go?  
How did it go wrong?  
Tell us what to do  
Can I depend on you?

Oh, I hope I can depend on you to come through  
You shamed me once on my family name  
But still I want you  
I must be a fool to wait around on you  
But love has no apologies and no respect for me  
Where did it go wrong?

Where did it all go?  
How did it go wrong?  
Tell us what to do  
Can I depend on you?

Where did it all go?  
How did it go wrong?  
Tell us what to do  
Can I depend on you?
