Oh why, why
Ooooh baby, baby

How many days have I told myself get up again
And go on with the struggle
Tryin' to be someone else
Why should I pretend that I like the mood I'm in?

[Hook:]
Day to day the roads we play
Walkin' 'round with frowns on our face, when we wanna
be happy
Never bein' true to self, once you're gone there's
nothin' left but a breeze
Wantin' to be free

[Chorus:]
Why, why can't they just let me be?
And why, why can't I just be free?
Without them tellin' me where to go, what to say, who
to see
And why, why can't I just be free?

How many ways have I tried to be like someone else
But couldn't fit the profile
Dancin' a dance
Knowing that I'm off beat all the while
But I didn't believe

[Hook]
Be free, ooh
[Chorus x2]
