I believe that heaven must be like this.
Ray of sunshine, kissed upon your skin.
Just say you love me, make my day go good.
Pot of gold at the end of the rainbow.

[Chorus]

Can't tell you nothing you ain't already heard.
No matter what I say it's nothin but words.
Just let me prove to you what I know is real.
Let me express to you the way that I feel.

I believe that love is synonomous with heaven.
Such a sensual bliss.
The way yuo touch me, makes this life so good.
A reward at the end of a long road.

[Chorus]

Can't tell you nothing you ain't already heard.
No matter what I say it's nothin but words.
Just let me prove to you what I know is real.
Let me express to you the way that I feel.

Fairytales can be real if you just believe.
Got my mind made. I dont' plan to leave.
Cause you were meant for me. Simple that may be.
What we got makes lovin you so easy.

[Chorus]

Can't tell you nothing you ain't already heard.
No matter what I say it's nothin but words.
Just let me prove to you what I know is real.
Let me express to you the way that I feel.
