Bye said the keeper to his wife  
Who is the laziest of all  
He has to go and man the lights  
She's gonna be there by his side  
In later life when he goes  
On a Wednesday night  
Pacific ocean

I'm catching up slowly with the tide  
Who'll be there gently by your side  
Who is the lowest of the low  
Who's gonna tell me that  
I'm old enough to know  
Enough to know better  
On a Wednesday night  
Pacific ocean

In three months he'll be back to see the wife  
She is the laziest of all  
Who'll be there gently by your side  
Said good-bye to the keeper and his wife  
I must fly
