"Leave me alone"

the hardest thing of all is to belong
the oddest thing of all this time
is i'm not sad at all
i can see beyond the hardest thing of all...goodbye

leave me alone, you're all i wanted
don't haunt me now, don't want you now
leave me alone, i've found what i'm made of
don't want you back, don't need you back

got no place to go, the feeling's going slow
the lowest of the low tonight
well, how am i supposed to know
if you won't talk to me? don't talk to me

just leave me alone, you're all i wanted
don't taunt me now, don't want to know
leave me alone, to find what i'm made of
don't want you back, don't need you back

yeah, the hardest thing of all
the oddest thing of all
is i'm not sad at all goodbye

leave me alone, you're all i wanted
don't haunt me now, don't taunt me now
leave me alone, i've found what i'm made of
don't want you back, don't need you back
