"Save me"

I'd never been in love,
I just liked to play around with the idea of it all.
Merrily, merrily, merrily, life is but a dream,
I wake up as I'm starting to fall.

Was as caged as a bird,
But the lie that was beautiful in it's simplicity is true,
'Cause what, when drunk, I see in other women,
Sober, I see in you.

Look me up and down,
How do you find me? cool? really?
Well, though I come on easy I feel uneasy
No matter if our love's a secret, then I can't keep it,
I want you and I need you,
Mirror, mirror on the wall, nothing's fair at all...

Look me up and down,
How do you find me? cool? really?
Well, though I come on easy I feel uneasy
And if our love's a secret, then I can't keep it,
I want you and I need you,
Won't you save me, save me, save me...
