flowers...
flowers for the unsolved
flowers...
white for a child
flowers...
flowers for the unsolved
flowers...
grief growing wild

mother and a father
father and a mother

murder in a country lane
bring on the blood and the bandages
murder in a lovely place
silence has advantages
murder in a quiet place
trouble is tangible
murder in a lovely place
it's larger than life

living...
living in the aftermath
living in the midst of mistakes
living with the space

we face and we fear the unknown
apart and alone

somewhere there's trouble sleeping
plug is pulled tonight
somewhere the door is creaking
trouble sleeping tight
we're having trouble sleeping
hiding from the light
somewhere there's trouble sleeping
it's larger than life

murder in a country lane
bring on the blood and the bandages
murder in a lovely place

i'll make the tea and the sandwiches
murder in a quiet place
trouble is...the trouble is...
murder in a lovely place
larger than life
larger than life
