How can you see looking through those tears

Don't you know you're worth your weight in gold?
I can't believe that you're alone in here

Let me warm your hands against the cold.

A close encounter with a hardhearted man

Who never gave half of what he got

Has made you wish that you'd never been born

That's a shame
'cause you got the lot.

Hey
yeah you
with the sad face

Come up to my place and live it up.
You beside the dance floor
what do you cry for?
let's live it up!

If you smiled the walls would fall down
On all the people in this pickup joint

But if you laughed you'd level this town

Hey
lonely girl
that's just the point.

Hey
yeah you
with the sad face

...

Just answer me the question why
You stand alone by the phone in the corner and cry.

How can you see looking through those tears

...

If you smiled the walls would fall down . . .

Hey

yeah you

with the sad face

...

Let's live it up

live it up

live it up

hey

yeah you!

With the sad face

come up to my place

come up to my place

baby!

Hey

yeah you

with the sad face

...

You

with the sad face

...
