Shiny, shiny, shiny boots of leather
Whiplash girlchild in the dark
Comes in bells, your servant, don't forsake him
Strike, dear mistress, and cure his heart

Downy sins of streetlight fancies
Chase the costumes she shall wear
Ermine furs adorn the imperious
Severin, Severin awaits you there

I am tired, I am weary
I could sleep for a thousand years
A thousand dreams that would awake me
Different colors made of tears

Kiss the boot of shiny, shiny leather
Shiny leather in the dark
Tongue of thongs, the belt that does await you
Strike, dear mistress, and cure his heart

Shiny, shiny, shiny boots of leather
Shiny, shiny, shiny boots of leather in the dark
