I don't know what the fuck I'm gonna do.  
I'm starting from scratch and it begins with you.  
Everything I ever loved was so fake.  
This right here is my only escape.  
I'm shutting the door. I'm closing you out.  
Scum like you can bother no more.  
The line has been drawn. My head's on straight.  
For your destruction I can't wait.  
I don't know what the fuck I'm gonna do.  
I'm starting from scratch and it begins with you.  
Everything I ever loved was so fake.  
This right here is my only escape.
