[Talib Kweli]

Everytime I walk up in the spot the corks pop  
Got the floor hot, we goin' to rock until 4 o' clock  
We used to keep a trick up my sleeve to get a chick to  
leave  
Now we've got another one of them calling me  
All eyes on you when you walk by  
Your guy is doing stunts like the four guys  
I know you make me feel like a six million dollar star  
tonight  
The type to make every nigga holla

[Tamia]

All I hear is raindrops  
Falling on the rooftop  
Ooh baby tell me why'd you have to go  
Cause this pain I feel  
It won't go away  
And today I'm officially missing you  
I thought that from this heartache  
I could escape  
But I fronted long enough to know  
There ain't no way  
And today  
I'm officially missing you

[Chorus]

Ooh can't nobody do it like you  
Said every little thing you do  
Hey baby say it stays on my mind  
And I, I'm officially

[Tamia]

All I do is lay around  
Two ears full tears  
From looking at your face on the wall  
Just a week ago you were my baby  
Now I don't even know you at all  
I don't know you at all  
Well I wish that you would call me right now  
So that I could get through to you somehow

But I guess it's safe to say baby safe to say  
That I'm officially missing you

[Talib Kweli]

My baby is giving me the proper dance  
Cause you know I'm the man  
And these type of cats play the game of chance  
Come close enough to show you how we 'suppose to  
love  
You know they say we can't smoke in the club  
But I'm cool cause your love is like a potion, a drug  
These emotions got me open like buds  
Roast, club boasts and I'm headed home with you  
You know when you're going, I'm going to miss you  
It's so official

[Tamia]

Well I thought I could just get over you baby  
But I see that's something I just can't do  
From the way you would hold me  
To the sweet things you told me  
I just can't find a way  
To let go of you

[Chorus]

[Tamia]

It official  
You know that I'm missing you  
Yeah yes  
All I hear is raindrops  
And I'm officially missing you
