What does he offer?  
What does he give?  
What am I missing?  
Won't you tell me?  
Help me

Is it the Money?  
Is it the fame?  
He's just pretending  
Can't you understand?

He don't know about real love  
He's only looking for some fun  
Girl you better believe it  
I'll make you see  
He's such a fake  
Won't you understand

Games, games, games, games  
He's playing you  
He's playing you  
Games, games, games, games  
Why don't you understand  
Hey, hey, hey, hey  
He's fooling you  
He's fooling you  
Hey, hey, hey, hey  
Why don't you end his game

Games, games, games, games  
Games, games, games, games
