Let the kid's sing

Back in the days when I was young, I'm not a kid
anymore

But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again

Uh huh

Thinking back when things were so easy
Got me laughing out loud, for no reason
I use to take them cans back and collect them nickels
Trading garbage pail kid cards for sweet pickles
The whole block used to have G.I. Joe battles
Yeah yer boy had the original storm shadow
And as of lately things have been slow
So I reminisce on when we use to break them windows
Yeah, Til I got snatched by the cops
With a wiffle ball bat and a hand full of rocks (Wasn't
me)

Consider this song a throw back
Cause all I wanna do is go back
Ya'll sing it with me

Back in the days when I was young, I'm not a kid
anymore

But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again

Tell em!

And this was way before playstation
Rushing home to watch Video vibrations

Man I tell you Sherry Carter coulda got the business
And I can't forget Rachel from Caribbean rhythms
This was back when Rap city used to play the jams
This is how I first heard about the Wutang Clan
Banged 36 chambers all summer long
And to this day canopy's my favorite summer song
And I can drop names for days
Of all my favorite artists who helped to pave the way
But, we probably need a lot more then just 4 minutes
So this is how I'm gonna end it
Everybody sing

Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again

Yeah, I'm on the bus in the back lounge
Sweaty, cold confused in another unfamiliar town
Another sold out show
Spilling my soul to a ton of people I don't know
And I can feel my skin wearing thinner
4th night no appetite for dinner
Shit goddamn well ain't life grand
Getting paid to stand on stage with yer heart in yer
hand
Sometimes I squeeze it til they get worried
If this is groundhogs day I guess I'm Bill Murray
And I swear I'm not complaining at all
I love each and everyone of ya'll
All I'm really sayin is...

Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore (cmon)
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore

But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
Back in the days when I was young, I'm not a kid
anymore
But some days I sit and wish I was a kid again
