There is julel in the tynnj
Then the fst will soon begynnj
Put some julel in your cup
When it's drokke fyll it up
I can hopp - I can run
And it's very, very fun
Klask your lr - klask your stvel
I can hopp - I can run
And it's very, very fun
Glm the trouble - drink a double
This is a song I like to hr
This is music for my r
Dance a little stvel dance
Dance it while you have the chance
I can hopp - I can run
And it's very, very fun
Klask your lr - klask your stvel
I can hopp - I can run
And it's very, very fun
Glm the trouble - drink a double
On and two and three and fir
Go and swing a nissepi
Five and six and sju and tt
This is good for a nisseknott
I can hopp - I can run
And it's very, very fun
Klask your lr - klask your stvel
I can hopp - I can run
And it's very, very fun
Glm the trouble - drink a double
