Oh, i'm always dreaming
Of something to take me away
Somehow always leaving
When you ask me to stay

And now i know
I love you so
And now i know
I love you so

Oh, i'm always searching
For things that catch my eye
Somehow always missing
That your love finds me day and night

And now i know
I love you so
And now i know
I love you so
I love you so
I love you so

You show me i'm more
When i'm less than
Forgive my misdeeds
When i'm less than
Together we're more
Than we're less than
Forever more, forever more

Oh, you're always waiting
Watching me turn away
Somehow always knowing
I'll return to you someday.

And now i know
I love you so
And now i know
I love you so
I love you so
I love you so
