"Your Love"

This hunger wants sweetness
this ache an ache for love
you're everything that I want
and maybe that's
what I'm afraid of
so when I lose my way
please call me home I pray

(chorus)
And fill me up
fill me up
fill me up
with your love
with your love

If I listen closely
you sing my soul's lullaby
I cannot be without you
no more than earth the sky
so when I dream of this
put your wish on my lips

(chorus)
And fill me up
fill me up
fill me up
with your love
with your love

And fill me up
fill me up
fill me up
with your love
with your love
