Laura Imbruglia - The Meaning of the Word

I see brown on the ground and assume that it's
somebody's blood
When it could've easily been saffron leaves or the
remnants of mud
I don't know why I always assume the worst
Blame my parents, blame the government, blame you
first
Now I'm not trying to abuse you or make you pay
But you need reminding, you didn't lose me, you threw
me away
And these days I'm fine but there was a time
When I was looking for a strong foundation
To hang my sad body from
To hang my sad body from
I'm glad I didn't do it
'Cause lately I've had a lot of fun
Had a lot of fun
Now I know I didn't know the meaning of the word
Now I know I didn't know the meaning of the word
Now I know I didn't know the meaning of the word
Now I know I didn't know the meaning of the word
And so I'm moving on and I'm thinking about other
things
And I bet everybody's glad 'cause heartbreak can
sometimes
get really boring
I met a man who said more than a handful is a waste
I feel the same way about talented people with bad
taste
If I could solve the problems of the world with a child's
mind
Mamma Cass would give the sandwich back to Karen
and they'd both survive
But there's deeper roots
I wish it were true
How high do you climb 'til you find a nice view
To throw yourself off into
To throw yourself off into
The hill's too high

The sun's too bright
The sky's too blue
Now I know I didn't know the meaning of the word
Now I know I didn't know the meaning of the word
Now I know I didn't know the meaning of the word
Now I know I didn't know the meaning of the word
(Of the word, of the word)
I'm trying to be more like the sea
Take the money and run
