When I get home babe, I'm gonna light your fire

All day I've been thinking about you babe

You're my one desire

Gonna wrap my arms around you

Hold you close to me

Oh babe I wanna taste your lips

I wanna fill your fantasy, (yeah)

I don't know what I'd do without you, babe

Don't know where I'd be

You're not just another lover

No, you're everything to me

Everytime I'm with you baby

I can't believe it's true

When you're laying in my arms

And you do the things you do

You can see it in my eyes

I can feel it in your touch

You don't have to say a thing

Just let me show how much

Love you, need you, (yeah)

I wanna kiss you all over

And over again
I wanna kiss you all over
Till the night closes in
Till the night closes in
Stay with me
Lay with me,
Holding me,
Loving me, baby
Here with me,
Near with me,
Feeling you close to me, baby
So show me, show me everything you do
'cause baby no one does it quite like you
Love you, need you, oh, babe
I wanna kiss you all over
And over again
I wanna kiss you all over
Till the night closes in
Till the night closes in
Repeat over, and over
