Oh baby, baby, how was I supposed to know  
That something wasn't right here  
Oh baby, baby, I should not have let you go  
And now you're out of sight  
Show me what you want it to be  
Tell me baby cos I need to know now because

My loneliness is killing me (and I)  
I must confess I still believe (still believe)  
If I'm not with you I lose my mind  
Give me a sign  
Hit me baby one more time

Oh baby, baby, the reason I breathe is you  
Girl you got me blind  
Oh pretty baby, there is nothing that I would not do  
It's not the way I planned  
Show me how you want it to be  
Tell me baby cos I need to know now because

My loneliness is killing me (and I)  
I must confess I still believe (still believe)  
If I'm not with you I lose my mind  
Give me a sign  
Hit me baby one more time

Oh baby, baby, how was I supposed to know?  
Oh pretty baby, I shouldn't have let you go  
I must confess that my loneliness is killing me now  
Don't you know I still believe that you will be here  
Just give me a sign  
Hit me baby one more time

My loneliness is killing me (and I)  
I must confess I still believe (still believe)  
If I'm not with you I lose my mind Give me a sign  
Hit me baby one more time
