Keeping up appearances
Keeping up with the Jones'
Fooling my selfish heart
Going through the motions

But I'm fooling myself
I'm fooling myself
Cause you say you love me
And then you do it again, you do it again
You say your sorry's
And then you do it again, you do it again

Everybody thinks you're well
Everybody thinks I'm ill
Watching me fall apart
Falling under your spell

But you're fooling yourself
You're fooling yourself
Cause you say you love me
And then you do it again, you do it again
You say your sorry's
And then you do it again, you do it again
And again and again and again and again

But you're fooling yourself
You're fooling yourself
Cause you say you love me
And then you do it again, you do it again
You say your sorry's
And then you do it again, you do it again
You say you love me
And then you do it again, you do it again
You say your sorry's
And then you do it again, you do it again
And again and again and again and again
