When the laughter fades away
Ma vie
Toute ma vie
When there's nothing more to say
Ma vie
My oh my
It's the last laugh of the laughter
Sur la derniere page du chapitre
On the last day of the year
Ma vie
Toute ma vie
When the spotlight fades away
Ma vie
C'est la vie
When the blue sky turns to grey
Ma vie
My oh my
It's the last laugh of the laughter
Sur la derniere page du chapitre
On the last day of the year
Ma vie
Toute ma vie
When the laughter fades away
Ma vie
Toute ma vie
When there's nothing more to say
Ma vie
My oh my
It's the last laugh of the laughter
Sur la derniere page du chapitre
On the last day of the year
Ma vie
Toute ma vie
Ma vie
My oh my
